EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. If the changes are unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee. The application has been amended as follows:

- Replace claim 6 with the following version:
 6. The tape-like fiber cable according to claim 1, wherein the plurality of optical fibers arranged in parallel are bound to each other by a cover to form the tape-like fiber cable.

Explanation: Claim 6 is edited to replace "take-like" with "tape-like". The change is minor and obvious in nature, and does not alter the scope of the claim.

Allowable Subject Matter

Claims 1, 3, and 5-12 are allowed. The allowability of these claims is believed to be clear from the prosecution history and no further comment by the examiner is considered necessary.
